AMENDMENT "B" AFTER FINAL OFFICE ACTION

Box AF
Assistant Commissioner for Patents
Washington, DC 20231

Sir:

In response to the Final Office Action mailed December 10, 2002, please consider the following amendments and remarks. It is believed that the amendments place the application in condition for allowance or in better condition for appeal. They are being made at this time in response to issues first raised in the Final Office Action.

In the Specification:

Please amend the Title as follows:

Nonaqueous Secondary Battery Having a Negative Electrode Containing Carbon Fibers and Carbon Flakes
